

### Features:

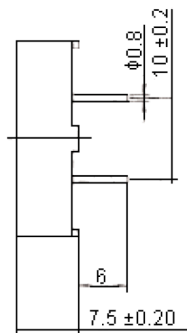

- Colour : Black
- Housing material : Noryl

### Specifications

|   |                            |
|---|----------------------------|
| Rated Voltage                                     | : (Vp-p Square Wave) 9Vp-p |
| Operating Voltage                                 | : 1 to 30Vp-p              |
| Rated Current at Rated Voltage                    | : 3mA                      |
| Capacitance at 120Hz                              | : 17,000 ±30%pF            |
| Sound Output at 4,000Hz at 10cm, at Rated Voltage | : ≥ 85dB                   |
| Resonant Frequency at Rated Voltage               | : 4,000 ±500Hz             |
| Operating Temperature                             | : -20 to +60°C             |
| Storage Temperature                               | : -30 to +70°C             |
| Weight  | : 3g                       |
| Sound Level Distance                              | : 10cm                     |
| Resonant Frequency                                | : 4kHz                     |
| External Diameter                                 | : 24mm                     |
| Capacitance                                       | : 0.017µF                  |
| Capacitance Max                                   | : 22.1nF                   |

Tolerance: ±0.5  
Dimensions : Millimetres

### Part Number Table

| Description               | Part Number |
|---------------------------|-------------|
| Piezo Transducer, 9V, PCB | ABT-430-RC  |
